

# Focus: Might - Fabric Arts 

## Project: Sewing Construction

Level 4

## Discovery: Choose several mini-projects to master the following skills.

$\qquad$ Special Seam finishes
Constructing Bound buttonholes
Using linings and under linings
Sewing sheers/ velvets/ and other special fabrics Designing Apparel Fitting Patterns
Special hemming techniques
Special pressing equipment such as needle board
$\qquad$
$\qquad$ Embellishments or special finishes created by a sewing machine or serger Loop buttonholes
$\qquad$
$\qquad$ Invisible zippers
$\qquad$

Tailoring techniques (single or double welt pocket with or without flaps, notches collar and lapel, hem treatments, shaping, boning)

Skill Practice:

| Items Made | Time Spent | Money Spent and Materials Used |
| :--- | :--- | :--- |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |

Evaluate: (What did you learn while you practiced? What do you want to remember for your next attempt?)

Share what you have learned with others: (Decide how you will share your new skills and insights with others. Some things to consider are: Enter your finished product in the county fair, provide a demonstration or presentation to your famify or peers.)
